TWO HUNDRED THOUSAND GERMAN TROOPS ASSEMBLED IN AUSTRIA

HITLER EXPLAINS TO MUSSOLINI

Three Main Points: Frontier With Italy

Rome, March 13. Herr Hitler's letter to Signor Mussolini in regard to the Austrian situation is made up chiefly of three points. The first is that his action in Austria was only to be regarded as an act of legitimate national defence "which any man of character would have done. You too, Excellency, could not have acted differently if the destiny of the Italians had been at stake."

The second point made by the Fuehrer is that "at the critical hour for Italy I demonstrated to you the strength of my sentiments. Don't have any doubt about this in the future and also nothing will be changed in this respect. (The reference made here is to Germany's abstention in the sanctions campaign.)"

"Whatever may be the consequence of the coming events," says Herr Hitler in his third point, "I have drawn a definite German frontier with France and I will now trace one equally definite with Italy. It is Brenner. This decision will never be touched or questioned. I did not take this decision in the year 1938 but immediately after the end of the Great War."

READ TO JOURNALISTS

The letters were read by Signor Alfieri, Minister of Popular Culture, to three hundred journalists.

Signor Alfieri said that the Fascist Grand Council had noted that the Austrian Government had not informed the Italian Government of the results of the Berchtesgaden Agreement and the decisions which followed it. However, the Italian Government had decided not to interfere in any way with the internal policies of Austria.

Not only was the plebiscite expectedly called by Dr. Schuschnigg but it was not suggested by the Italian Government. On the other hand the Italian Government

"WE YIELD TO FORCE"

Dr. Schuschnigg's Address

Vienna, March 12. Speaking in solemn tones, his voice vibrant with suppressed emotion, Dr. von Schuschnigg announced his resignation after referring to the German ultimatum. He said:

"I declare before the world that the reports spread in Austria that there have been blood disputes, that streams of blood are flowing, that the Government is not master of the situation and that it could not keep order, were invented from A to Z."

"The President authorises me to inform the Austrian people that we yield to force."

ORDER TO WITHDRAW

Dr. Schuschnigg said that even in this grave hour they were not minded at any price to shed German blood, and they had given their armed forces the order, in case invasion was carried out, to withdraw without resistance and to await future decisions.

The President had entrusted General Schilnhawsky, Inspector-General of Troops with the command of the armed forces, through whom further instructions would be given.

Dr. Schuschnigg concluded: "So I take my leave of the Austrian people with a German word, and the heartfelt wish that God will protect Austria."

JAPANESE CENSORS THREATENED

Shanghai, March 13. For the second time in eight days the Japanese censorship office received a threatening letter apparently written by the same person who sent the first one on March 4.

The latest note warns the censors that powerful explosives would be hurled at the office unless work is suspended there.—(Reuter).

CYCLE MISHAP

While Mr. Andrews, of the Peak Tramway Co., was driving his motor cycle combination along Bowen Road yesterday morning, a lorry in front suddenly stopped and reversed towards him without warning. A lamp on his side-car was badly smashed.

AUSTRIAN LEGIONNAIRES RETURN FROM GERMANY

Dr. Seyss-Inquart Confers With Herr Hitler

Vienna, March 13.

Dr. Arthur Seyss-Inquart, Chancellor of the Austrian Cabinet, who spent the night in Linz had several conferences with Herr Adolf Hitler, who in the morning saw a number of high State officials, and later visited the grave of his parents in the little cemetery village of Leonding, near Linz.

It is estimated that German troops in Austria number 200,000 besides 40,000 Austrian legionnaires who returned from Germany.

Eighteen thousand German troops and two hundred bomb-planes in the neighbourhood of Vienna.

The first step towards the incorporation of Austria into the German Four-Year plan appears to have been taken with the announcement, at the request of the new Austrian Nazi Government, that the cut of 40 per cent. in Austrian exports to Germany, which has operated since November 1, has been restored.

The cut was imposed with a view to reducing the surplus \$4,000,000 to Austria's credit in the Austro-German clearing account.

The previous Austrian Government rejected Germany's offer of armaments and other heavy manufactures in reduction of the debt, on the ground that it would injure Austrian industries and made German goods too dear.—(Reuter).

WHEREABOUTS OF SCHUSCHNIGG NOT KNOWN

Vienna, March 13.

It is learned that Dr. Kurt Schuschnigg has arrived in Tata, Hungary, where he is staying with Count Franz Esterhazy.

Interviewed by Reuter by telephone from London, Count Esterhazy, speaking from his castle in Tata, said that Dr. Schuschnigg was not there.

Count Esterhazy did not know where he was. He had not invited Dr. Schuschnigg there though he would be welcome at any time.—(Reuter).

ANXIETY IS FELT FOR CHELIDON

NO WORD FROM 27-TON BOAT

Shanghai, March 13.

Keen anxiety is felt for the 48-foot boat Chelidon (27 tons), since no word has been received of her for 21 days. The boat, which is two-masted and has no motors, left Shanghai for Manila on February 21.

The yacht, with a crew of five, is commanded by a German, H. Aust, and was expected to reach Manila in ten to sixteen days after departure.

The ship has no wireless on board and belongs to a Frenchman, F. Bouver.—(Reuter).

The Chelidon sailed five times to Nagasaki and back between 1931 and 1935. During the Shanghai hostilities, it was caught above the Nantao boom and was slightly damaged during the bombardment of Minghong.

NEW SHANGHAI BOMBING

DAMAGE CAUSED TO PUBLISHING HOUSE

Shanghai, March 12.

The latest act of terrorism in this city occurred yesterday evening when unknown persons threw a bomb into the building of a publishing concern which had accepted orders from the new pro-Japanese administration of Greater Shanghai.

Considerable damage to property was caused, but nobody was injured.—(Transocean).

GERMANY WILL STRENGTHEN ARMED FORCES

GOERING TELLS MEETING

Berlin, March 13.

"Who has the right to interfere when Germans want to come closer to Germany?" asked Field-Marshal Hermann Goering when he delivered an address at a meeting in the Opera House commemorating Germany's fallen in the Great War.

The meeting was attended by Baron von Neurath, Foreign Minister, Dr. Goebbels, Minister for Propaganda, Admiral Raeder and General Brauchschick.

Field-Marshal Goering said that for the first time since the oppression of the peace treaties, when the self-determination of the Reich was trampled underfoot, the Austrians might now stand forth and declare the manner in which they wished to form their lives. Germany would respect their decision but the result was already known for the spring of a united Germany had arrived.

"May God prolong it unto the summer," he said. "It might be conceivable that Germany might go under but she will never permit herself to be torn asunder again."

Field-Marshal Goering said that Germany would not interfere in the domestic affairs of other countries, but insisted on regarding herself as the protector of Germans in other countries.

Germany, he concluded, was determined to further strengthen her armed forces which they regarded as the guarantors of peace in the world.—(Reuter).

PROCLAMATION POSTPONED

RECOGNITION OF MANCHUKUO

Further Protest By Chinese

Hankow, March 13.

Following Germany's reply to China's protest against the recognition of Manchukuo, the Chinese Ambassador to Berlin has been instructed to make further representations to the German Government.

In the Note, the Chinese Ambassador expresses the deep regret of his Government at the inability of the German Government to appreciate the stand taken by China in this matter.

Special attention is called to the fact that Germany, while affirming her desire to maintain the friendly relations subsisting between China and herself, has failed to give sympathetic understanding to the legal standpoint submitted by the Chinese Government.

The Chinese Government Notes on: "We find it necessary to mention our views as expressed in our Note of February 22 and hope that the Government will re-examine the situation in the Far

Surprise Raid On Chefoo

BY BAND OF CHINESE IRREGULARS

Chefoo, March 13.

A band of Chinese irregulars, estimated at about two hundred strong, coming from the south and east, made a surprise raid on Chefoo at midnight last night.

It is reported that they made for the police station where they took over all rifles they could find and then escaped. Spasmodic rifle fire was heard in various parts of the city for three hours, from midnight till 3 a.m., this morning.

At 6 o'clock this morning two Japanese planes appeared over the city and patrolled the southern and eastern hills, where they dropped three bombs shortly before 9 a.m.

A Japanese cruiser arrived here later in the morning.

Patrols now guard the principal streets and no foreigners have been reported killed or injured nor any foreign property damaged though a German resident, returning to Chefoo in his car, encountered some Chinese outside the town at a quarter to midnight. A bullet was fired at the car hitting the windscreen and inflicting minor cuts to the German's face through broken glass.—(Reuter).

KIDNAPPERS FREE JAPANESE Shanghai, March 12. Five Japanese kidnapped by Chinese outlaws operating along the Shanghai-Hangchow Railway have been freed on payment of \$12,000 ransom, according to the "Shanghai Mail."

The ransom was paid to the kidnappers by the Peace Preservation Commission at a little town about 30 miles north-east of Hangchow.—(Reuter).

Care of TRAVEL BUREAU, DEPARTMENT OF RAILWAY, TOKYO.BANK OF EAST ASIA
ANNUAL MEETINGHIGH STANDARD OF LIQUIDITY
FULLY MAINTAINED

Satisfactory Year

"The high standard of liquidity of this bank had been fully maintained throughout the year and our cash which stands in the balance sheet at \$14,700,000 represents as much as 70 per cent cover of our liabilities under current and deposit accounts," declared Mr. Li Koon-chun, acting Chairman, when presiding at the nineteenth ordinary yearly meeting of shareholders of the Bank of East Asia, Ltd., held on Saturday afternoon at the registered office of the Bank in Des Voeux Road Central.

Mr. Li Koon-chun was in the chair in the absence of the Hon. Sir Shouson Chow, Chairman, who was indisposed. Mr. Li was supported by Mr. Kan Tong-po, Chief Manager, and Mr. Li Tse-fong, Manager.

Addressing the meeting the acting Chairman said:—

The net profit for the year including the amount carried forward from last account is \$680,164.03 which shows only a slight decline compared with that of the previous year. But taking into account the disturbed conditions in the Far East during the last few months of 1937 I think you will agree with me that the result attained may not be regarded as unsatisfactory.

In the balance sheet you will notice that our total deposits have continued to increase and at the end of last year the total amount was several million dollars more than that of 1936. The high standard of liquidity of this bank had been fully maintained throughout the year and our Cash which stands in the Balance Sheet at over \$14,700,000 represents as much as 70 per cent cover of our liabilities under current and deposit accounts.

There has been a small expansion in the loan account and the Directors are pleased to report that ample provision has been made against possible bad debts.

SOUND BASIS

In view of the growth in our total deposits and in the absence of better employment for our surplus fund Directors have carefully considered and approved of a substantial increase in the Investment Account, which I can assure you, is on sound and remunerative basis.

In keeping with the steady growth of our business the Directors have decided to establish a new Department in the Hong Kong Office which undertakes to look after real estate interest on behalf of our clients. I am sure that this department will gradually increase its activities and become one of the most important departments of this bank.

In accordance with our usual practice we have written off depreciation the sum of \$72,402.14 from Bank Building.

I feel sure that you will agree with the Director's recommendation to transfer the sum of \$100,000 to General Reserve bringing that account to a total of \$2,450,000.

The recommendation of the Directors to pay a dividend of \$6 and a bonus of \$1 per share is the same as that of the previous year and I have no doubt shareholders will be satisfied with such a good return on their capital outlay.

The Directors feel certain that you will fully support their recommendation to vote a sum of \$18,137.53 as a bonus to the Staff in recognition of their loyal and faithful service.

APPOINTMENTS

Mr. Fung Fook-tin seconded the adoption of the report and accounts and the motion was carried unanimously.

Mr. B. Wongtapa proposed and Mr. Hung On-to seconded, the appointment of Mr. Li Lan Sang and Mr. Fung Ping Wah as ordinary Directors for the current year.

Mr. Kong Tse-ming proposed, and Mr. Chow Hau-leung seconded, the re-election of Messrs. Percy Smith Seth, and Fleming as auditors for the ensuing year. Both proposals were carried.

The Chairman announced that dividend warrants will be payable on March 14.

Asama Maru
RefloatedSALVAGE OPERATIONS
COST \$1,000,000Aground Since
September 2

The N. Y. K. motor liner Asama Maru was successfully re-floated on Friday afternoon, at Sal Wan Bay where she was grounded since the typhoon of September 2 last. The operation of refloating had necessitated the use of 25,000 charges of dynamite weighing two and half tons to blast an area of 22,000 square feet of rock upon which the vessel rested.

The Asama Maru, the pride of the N. Y. K. Line, went aground at Sal Wan Bay after she had drifted from her anchorage at Junk Bay, during the severe typhoon on September 2 last. She touched ground at 4 a.m.

The damage was limited only to the bottom plates. The prospects of salvaging were almost nil, mainly, because she carried no cargo, and secondly, an abnormally high tide was necessary to refloat her.

Work was commenced as soon as the salvage tug Yusho Maru, of the Nippon Salvage Company, Moji, reached the Colony on September 7. A month later, another tug, the Azuma Maru, joined in the salvage work. A total of 213 workmen and 36 divers were engaged.

Nearly 4,000 tons of movable material from the vessel dismantled and landed, in order to lighten the liner as much as possible.

Ten buoyancy tanks, each of 50 tons capacity, were attached to vessel and Thursday night, all preparations were completed. On Friday afternoon, at high tide, and with the aid of steel wire ropes and cable chains, the vessel was refloated.

She will proceed to Japan in the near future to undergo repairs and overhaul.

The cost of the salvage operation and repairs is estimated at \$4,000,000.

BIG MATCHES END IN DIVISION OF POINTS

Madar's Magnificent Innings

By "New L.B.W."

Indian Recreation Club 190 for 5 wks. decl.
Kowloon Cricket Club 98 for 6 wks.
Hong Kong Cricket Club 169 for 9 wks. decl.
Craigengower Cricket Club 137 for 9 wks.

The above figures tell the story of the battle for the Senior Cricket League championship on Saturday. These two draws mean that the Indians and Craigengower will have to play off to decide the ultimate destination of the Shield.

Congratulations to the Royal Navy second eleven. Playing at Pokfulam they beat the University by the narrow margin of two runs. to confound the critics and win the Junior Shield when Craigengower slipped up badly against the Club, failing to beat a meagre total of 123.

I have not yet been able to obtain any information on the Navy-University game, but will publish a description, which one of the players has promised me, together with one on the Craigengower-Club game, on Tuesday.

MADAR'S INNINGS

A magnificent fighting innings by A. H. Madar and brilliant hitting in a captain's knock by A. R. Minu were nullified by rank bad fielding on the part of the Indians, with the exceptions, again, of Madar and Minu.

Ahmad Madar's innings must rank as one of the best efforts of its kind ever seen in a local game. Going in at 22, on the fall of the second wicket, he was undefeated when the declaration was made at 190 and, except for a chance towards the end, his innings was absolutely unblemished. While this total of 188 runs was being put on, his share was only 44, but he played quite the right game for his side. He went in at a time when things did not look too good for the Indians and when Minu arrived there was no necessity for him to do anything but stay in.

Minu's 74 was the best innings he has played for a very, very long time. He made his 50 in just over the half-hour and altogether was batting 51 minutes. His partnership with Madar for the fifth wicket realised 102 runs.

Previously Nazarin had batted confidently for 21 and Abbas, after a shaky start had made some fluent hits for 24.

Lloyd bowled remarkably steadily for 20 overs on end, returning figures of 20-2-66-2, which would have been even better but for Minu's rough treatment.

CATCHES DROPPED

Kowloon's innings is easily described. Fincher and Anderson opened and, at 30 Anderson was put down by Arthur Rumjahn off Abbas. Next over the exactly same thing happened. At 40 Abbas dropped Fincher off Minu, also in the slips. A little later Nazarin at cover dropped one which to a fieldman of his calibre was nothing short of an absolute sitter. Fifty was in sight when Anderson was given out: leg before to Abbas off a ball which he himself believed he played. 49-1-24.

A little later Madar snapped Baxter up beautifully in the slips off Abbas.

At 5.25 Fincher was caught by Minu running back for 68-3-41, and when O'Brien failed all Kowloon hopes of a win went. Eventually Burnett, hitting occasionally, but showing a straight bat to length balls, and Robbie Lee easily played out time.

THE VALLEY GAME

At the Valley the Club would have been in a dreadful mess against Craigengower had not

Owen-Hughes played his customary big innings there. Of the total of 169 for 9 declared he claimed 88, which included 15 fours.

Craigengower went for the runs and Fred Lee, George Souza, and the two Zimmermans all batted well, but in the end they were in danger of losing.

FIREFLY

Triumph For Jeanette MacDonald

Each recent year has brought to the screen a finer type of musical picture and 1937 is no exception. "The Firefly," Metro-Goldwyn-Mayer's impressive adaptation of Rudolf Friml's memorable operetta, with Jeanette MacDonald in her seventeenth musical triumph, is Hollywood's new offering at the King's Theatre today.

Allan Jones and Warren William are the star's leading men. "The Firefly" presents a powerful story of dramatic romance, as well as a vehicle for remarkable music M-G-M has gone the limit in its settings and in the artistry of presentation.

Hunt Stromberg and Robert Z. Leonard produced and directed, respectively.

Miss MacDonald dances beautifully and sings "Love Is Like a Firefly," "He Who Loves and Runs Away" and "When a Maid Comes Knocking at Your Heart" in perfect voice.

Allan Jones sings "A Woman's Kiss" and "The Donkey Serenade," and they sing in Duet, "Blissful Mins" and "Sympathy," with Charming effect.

HITTING A NEW HIGH

Lily Pons in Light Story
A gay romance, drenched with melody and songs sung by dynamic Lily Pons, is offered in "Hitting a New High," new RKO Radio musical film which has it run at the Queen's and Alhambra Theatres today with Jack Oakie co-starred.

The picture is by far the best screen effort of the talented diva, and the story, direction, cast and music set a new standard for film musicals.

The plot relates the adventures of a night-club singer, played by Miss Pons, and her efforts to crash grand opera. Basically a satire, the action starts in Paris with the prima donna unable to interest Edward Everett Horton, a wealthy opera patron, in her voice. Later, by arrangement with Jack Oakie, Horton's secretary, she follows the two to Africa where, through a hoax suggested by Oakie, she gains an audition in the middle of the jungle.

Though the story is light, Miss Pons nevertheless has the opportunity to introduce several operatic arias without breaking the mood of the picture. These, introduced logically, include "The Nightingale" from Saint Saens' opera "Parisatsy," "I Am Titania" from "Mignon," and the mad song from "Lucia di Lammermoor."

FORTHCOMING WEDDINGS

The forthcoming marriage is announced between Mr. Li Hing-lan, undergraduate of the Hong Kong University, and Miss Cissy Leung, B. A.

Mr. Li is the son of Mr. Li Wing-loong, merchant, of No. 63 Caine Road, and Miss Leung, who is a graduate of the Hong Kong University, is the daughter of Mr. Leung Chak-tsun.

Another wedding announced is that of Mr. William Wu, of No. 726 Gloucester Road, third floor, and Miss Benedicta Senna, of No. 12 Arbuthnot Road, ground floor.

FOREIGNERS DECIDE TO REMAIN IN CHENGCHOW

Despite Certainty Of Bitter Fight

CAUSE OF HUMANITY

Shanghai, March 12.
Despite the virtual certainty that one of the bitterest fights in the war will shortly be waged for the mastery of Chengchow, a group of some forty foreigners, both women and men, who are doing humanitarian work attending to war stricken Chinese in the town, have refused to leave.

Chengchow is a strategic point the junction of the Lunghai and of Peiping-Hankow Railways and only 25 miles from Szechui where the Japanese have already crossed the Yellow River. Although the Japanese are still remaining silent on the crossing and only mention that a crossing was effected at Hoku, 75 miles up-river, the Chinese admit that the Lunghai Railway was cut at Szechui, where the Japanese recently crossed, and are now making desperate preparations to defend Chengchow in expectation of the Japanese advance.

Foreigners at present in Chengchow include Dr. Donald Hankey (British), two Canadians, Dr. R.B. McClure and Miss Grace Hibberd, one German, seven Americans and at least 29 priests and nuns, members of the Italian Mission in Chengchow. The Americans who are doctors and missionaries include twin brothers attached to the same Mission, Dr. and Rev. Pennabacker respectively. A telegram received at the headquarters of the American Baptist Mission here states that the whole foreign community has decided to remain in Chengchow, taking refuge in the compound of the Baptist Mission. The compound is outside the town of Chengchow but is situated midway between the railway station and the Chinese military barracks. This is an admittedly dangerous location but apparently is considered to be safer than anywhere else in the town.

The foreigners are also preparing to accommodate 10,000 refugees in this compound.—(Reuter).

CYCLONE KILLS 25; 45 INJURED

Calcutta, March 12.
Twenty-five persons were killed, and 45 sent to hospital when a cyclone struck the small town of Assam. It is feared there are further bodies under the collapsed huts. The victims are chiefly tea plantation labourers.—(Reuter Bulletin).

ANGLO-IRISH TALKS

London, March 12.
It is understood the Anglo-Irish negotiations today reached a difficult and critical stage. The Irish delegation will be returning to Dublin sooner than expected.—(Reuter Bulletin).

HANKOW SHORTAGE OF PAPER

NEWSPAPERS WILL SUFFER

Hankow, March 12.
Owing to difficulty of transportation, Hankow is experiencing an acute shortage of printing paper. Unless new supplies are available soon, publishing houses and newspapers will have to curtail operations.

Hankow has 20 vernacular dailies, large and small, and two English-language dailies, the Central China Post and the Hankow Herald. In addition, there are 15 printing plants. The daily consumption of printing paper, according to an estimate, is 50 reams. The existing stock is said to be sufficient only for another month or six more weeks at most.—(Central News).

Mr. Tseng Kwang-ching, a member of the Central Executive Committee of the Kuomintang, arrived in Sian from Hankow on February 24, says a despatch to the Sun Wen Pao. Arriving at the same time was Mr. Chen Ti-cheng, Reconstruction Commissioner in the Kansu Provincial Government, who is now returning to Lanchow.

NEW AIR DEPARTMENTS

Commanders, J. H. I. Wood, J. B. Heath, C. John, and R. S. D. Armour have been appointed for duty in the new Department of Air Material, and Commanders M. Slattery, C. B. Tidd, and J. P. Wright in that of Air Personnel. These departments have been set up as a result of the Government decision last July that the Admiralty should take over administrative control of the Fleet Air Arm.

All these officers have recently been serving in the Air Division of the Naval Staff, and all have had experience of fleet air work. Commanders Armour and Wright specialized as air observers, and the other officers as pilots.

DESTROYERS' NEW SERVICE

H.M.S. Arrow will commission at Chatham with a Portsmouth crew for service in the Portsmouth Local Flotilla as tender to the Verity, and will displace the Worcester. H.M.S. Anthony will also commission at Chatham to relieve the Wishart as gunnery tender at the Nore. H.M.S. Acasta, now refitting at Devonport, will relieve the Witch as emergency destroyer there about the end of March, and H.M.S. Achates, on reliever by the Woolston in the Plymouth Reserve, will succeed the Wolverine as emergency destroyer at this port. All four vessels were relieved in the 3rd Flotilla, Mediterranean, last year by new destroyers of the Intrepid class.

AIR BRANCH OF THE NAVY

An Air Ministry Order has been issued which outlines the arrangements made for the transfer of short-service and medium-service officers of the R.A.F. to the air branch of the Royal Navy.

To be eligible for consideration officers must be qualified pilots and fit for full flying duties. Officers now in the Reserve must have completed four or more years on the R.A.F. They need not have had experience with the Fleet Air Arm. Transfers to the air branch, if approved, will take effect on or after April 1 next.

The active list period of an officer's commission in the R.A.F. will terminate before that date will not, however, be extended pending transfer. Officers serving abroad will normally be brought home before transfer at public expense and granted any leave for which they may be eligible provided the exigencies of the Service permit. An outfit gratuity of £50 will be granted to assist in the purchase of the necessary naval uniform. Those who fall of serve on the active list of the Royal Navy for four years will be liable to be called on to refund all or part of this gratuity.

The periods of service will be similar to those for officers appointed direct to short-service commissions in the air branch, R.N. (seven years on the active list, with a possible extension to 15 years). It is expected that the Admiralty will be able to offer to some of the officers who complete 15 years on the active list the option of remaining for a further period in order to become eligible for retired pay at the age of 40 on completing 20 years' combined R.A.F. and R.N. service, whichever is later.

RANK ON TRANSFER

The rank and seniority of officers still on the active list of the R.A.F. will be as follows:

Rank in R.A.F.	Rank and seny. in R.N.
Acting pilot officer	Acting sub-lieutenant (A) with the same seniority.
Pilot officer	Sub-lieutenant (A) with the same seniority.
Flying officer	Lieutenant (A) with the same seniority, provided this does not exceed two years. Flying officers with more than two years' seniority will be granted two years' seniority only as lieutenant (A).
Flight lieutenant	Lieutenant (A) with two years' additional seniority.

Officers who have completed four years or more active service with the R.A.F. and have been transferred to the Reserve will be granted commissions as lieutenants (A), R.N., whether they hold the rank of flight lieutenant or not. Officers who held the rank of flight lieutenant, R.A.F., on terminating their active service in the R.A.F. will be granted the same seniority as lieutenant (A), R.N., as they held in the rank of flight lieutenant, R.A.F. The seniority of other officers will date from transfer.

Officers now serving who wish to be considered for appointment to the air branch, R.N., should submit their applications to the Air Ministry, through the usual channels, as early as possible. Those now in the Reserve should apply to the A.O.C. No. 26 (Training) Group, R.A.F., Hendon, The Hyde, N.W.9, who will forward the applications to the Air Ministry. Officers transferred under this order will terminate finally their connexion with the R.A.F.

RYKOFF WEEPS

The defendants were brought into the floodlit room, led by Bukharin. They sat down silently, all looking pale and sleepy. Rykoff was weeping freely and they were all found guilty on all counts.

Rakovsky and Besenov escaped death sentence on the ground that they did not organise the terrorist gangs and Pletnev because he had acted under Yagoda's compulsion.—(Reuter).

The German Red Cross Expedition, sent to China by the German Government under leadership of the surgical specialist, Dr. Hans Podgurski, who is accompanied by the son of Germany's Ambassador to China, Dr. Trautmann, and two first-aid experts were feted at the Roof Garden, Hong Kong Hotel, at a Chinese dinner on Friday night, given by Dr. Tu Yuet Seng, Vice-President, Chinese Red Cross.

In welcoming the Expedition, Dr. Tu said: I am sure that Dr. Podgurski, Dr. Trautmann, Herr Mueller and Herr Barth will after their work of alleviating the suffering among certain Chinese is completed, leave our country accompanied by the same high respect we tender the advisers.

In his reply, Dr. Podgurski, on behalf of the expedition, said that he felt deeply grateful for the reception accorded him and his colleagues, and he wished to express his heartfelt satisfaction at having been able, at the order of the German Government, to come to

CORRESPONDENCE

A MESSAGE TO CANADIAN TOURISTS

[To the Editor, "The Hong Kong Daily Press"]

Sir,—In the notice of the Display at the Kiosk of the Travel Association which appeared in a contemporary this morning there was an unfortunate omission.

No mention was made of the special interest, to tourists from Canada, of the pictures by Chinese Artists trained in the Ontario State school of Art at Toronto.

A group of these artists, of whom there were at one time no less than five in Hong Kong, are among the chief supporters of The Hong Kong Working Artists' Guild, which is international.

Mr. Yee Bon worked for over seven years in the Toronto Art School, gaining there all the highest honours and Diplomas possible; and some of his pictures have been acquired by the Canadian National Gallery.

Mr. Lee Byng was his contemporary there for some years and also gained distinctions and diplomas. His water-colours have received high praise from artists familiar with the art of London, Paris, Italy, etc.

Mr. Lee Tong, a very distinguished artist is not I fear represented at this hastily assembled and limited representation of the work of the Guild members.

It had been hoped to prepare a proper exhibition in time for the coming of the Empress of Britain but there is such a shortage of premises suitable that it was found impossible to do so.

This is an unusual opportunity for collectors to acquire examples of the work of oriental artists trained in one of the younger world-famed Art Schools in the New World, in the methods of Western Art, expressing their individual vision of the beauties of Hong Kong.

Trusting that you will kindly permit me to make this addition to the special invitation to our visitors through your esteemed paper.

Yours faithfully,

I.M.A. MACFADYEN
President of the Hong Kong Working Artists' Guild.

China, and, in the spirit of chivalry and helpfulness, to help the Chinese nation.

Dr. Hsu Hsi-ying, former Chinese Ambassador to Tokyo, paid a glowing tribute to German medical science, and said that their help was urgently needed in China today.

Mrs. C. H. Kam, Secretary-General of the International Women's Relief Association welcomed the Expedition on behalf of the Association.

Translation of the speeches was carried out by Mr. Pang Kin-chow, Secretary-General, Chinese Red Cross.

Those present included: Messrs. Wang Hsiao-lai, Wang Yu-ting, Lin Kan-hou, Dr. C. Y. Wu and C. T. Chung, local representatives, Chinese Red Cross, E. C. Yeh, W. Y. Mo, L. M. Wat, Y. P. Yiu, Mrs. Liang, Dr. and Mrs. W. T. Woo, Dr. Woo is chairman of the International Medical Relief Association, Hong Kong.

REFUGEE SHELTER WORK IN CANTON

New Committee Named By General Wu Te-chen

General Wu Te-chen as head of the Civil Government of the Province of Kwangtung has made an important change in the administration of relief to refugees in Canton, city, by turning this work over to a committee made up of representatives of interested non-official organizations who were called together recently at a meeting held in the municipal guest house.

In addressing the meeting General Wu spoke of the good work which had been done by the Emergency Committee for the Relief of War Refugees, but said that he believed that work of this kind could best be done by non-official representatives who have an interest in relief work and who can give time to it, thus freeing government officials from the details of carrying on such relief work in addition to the work of conducting the government.

He pointed out that turning the administration of the war refugee shelters to this non-official body, did not mean that the Government was stopping support for such work.

The Government would continue to support such work morally and financially as it has been for some months, but the government looked to the newly created committee to assume responsibility for securing additional funds needed for the work of rehabilitation of refugees.

PLAN FOR SHELTER
One of the first tasks of the new Committee was to plan for a shelter outside of the city for those of the refugees who have no homes to which they can go and who are not so broken in health or spirit but what there is a hope of helping them to find a way to self support. The new committee has been very fortunate in securing the consent of Lingnan University in the use of the newly erected and at present unused middle school buildings adjacent to the Lingnan campus and getting the active co-operation of students and faculty in the plans for the rehabilitation shelter.

THE COMMITTEE
The Committee on Management of the Refugee Shelter in Canton created by General Wu Te-chen includes the following individuals and organizations—

Canton United Charitable Societies, Mr. Tsoi Cheung of the Tai Sun Department Store; Missionary Societies, Dr. A. J. Fisher, of the American Presbyterian Mission; Church Council Relief Committee, Dr. Chin Koon-hoi, pastor of the Wai Oi Church; Roman Catholic Church, Bishop A. Fourquet; Salvation Army, Col. H. Rolfe; International Woman's Club, Mrs. Rose Lee; Young Women's Christian Association, Mrs. Chan Yuen-fan; Chinese Red Cross Society, Mr. C. C. Cheung; International Red Cross Society, Dr. W. W. Cadbury; Lingnan University, President Y. L. Lee; Young Men's Christian Association, Mr. T. T. Poon.

General Wu has asked the Canton Y.M.C.A. to act as the agency to care for the executive direction of the shelters.

The first gift to the Canton refugees work under the new committee came from the New Zealand Presbyterian Mission, a gift of \$500 (Hong Kong currency) given by friends of China living in New Zealand.

At the same time, a general meeting of the executive committee will be held on every first Friday of each month at 7.30 p.m.

MINIATURE FOOTBALL
The game of miniature football is very flourishing in Hong Kong at present, but it is a pity that there has never been a miniature football union before.

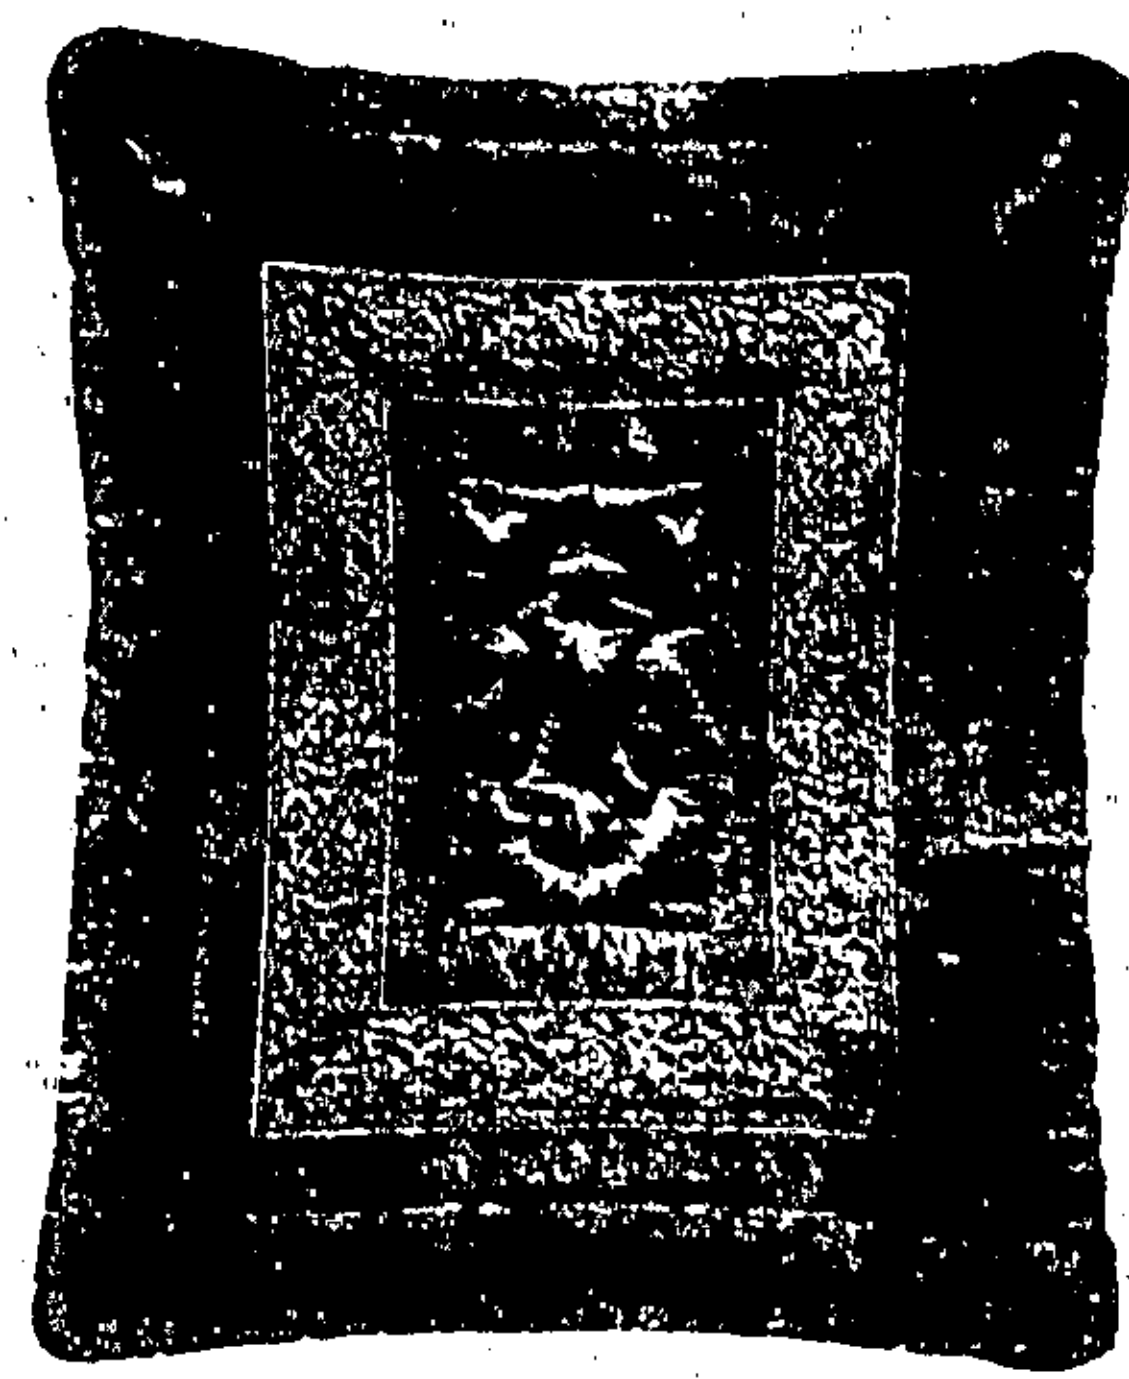

Since last Tuesday, all the miniature football teams, clubs and associations, have gathered at a meeting in the Confucian Club and fully discussed the organization of a union, and have formed the Hong Kong Miniature Football Union.

Committees were elected as follows:—

Chairman: Lai Chi-kan (Silver Star Music Club); Vice-Chairman: Chun King-hong (Talkoo Dockyard Team); Secretaries: Yee King-kwong (Modern Weekly Magazine) and So Kin-hoo (Hung Min Stage-play Federation); Accountant: Chia Kai-man (Kit Chi Athletic Association).

Committee representative of:—1. Silver Star Music Club; 2. Kit Chi Athletic Association; 3. Talkoo Dockyard Team; 4. Wah Heung Athletic Association; 5. Ping Yeung Athletic Association; 6. Modern Weekly Magazine; 7. Hung Min Stageplay Federation.

At the same time, a general meeting of the executive committee will be held on every first Friday of each month at 7.30 p.m.

NOTICE.

RENTS COMMISSION.

The Rents Commission invites Landlords and Tenants to submit in writing any facts which they wish to bring to the Commission's notice in respect of the prevalent charges for rent in the towns of Victoria and Kowloon having regard to their rise and fall during the last ten years, and the extent to which and the manners in which tenants and landlords have been and are being affected by the sudden growth of the population of Hong Kong since the beginning of Sino-Japanese hostilities last year.

The Commission will, after consideration of written statements, request the writers of such statements as appear helpful or relevant to appear and give oral testimony before it at the Urban Council Chamber (top floor, Post Office Building) at such time and date as may be notified.

All communications should be addressed to The Secretary, Rents Commission, C/o. Secretariat for Chinese Affairs, and will be treated as confidential if desired.

BRITAIN'S DILEMMA

In a sense Europe is rapidly receding to the pre-war position. In another it is fast heading for an infinitely worse plight. The difference is to be found in the aeroplane.

A common-sense view of the news from Central Europe would appear to strip it of all sensationalism and place it quite outside the pale of that hackneyed journalistic term "startling." In the light of the events of the past seven years, since the National Socialist Government came into power in Germany followed by the Nazi coup two weeks ago, what is there sensational or startling in the week-end news from Vienna?

It amounts to this. German troops have taken control of a state composed of 6,500,000 German people upon whom an independent regime had been thrust whose artificiality was only equalled by the illogicality of the framers of the Versailles Treaty.

Those who were optimistic enough to expect that state of affairs to endure are very much upset by the latest events, but only momentary reflection is necessary to convince sane-thinking people that it is impossible to "divide and rule" where the national unity of a people finds its basis in spiritual unity. The Germans and Austrians are one people—nationally and spiritually. And if the Austrians have freely chosen Der

JAPAN—LAND OF DISCONTENT

(SUNDAY, MARCH 13)

The turn in the Sino-Japanese hostilities, in favour of the Chinese, is making the non-militarists of Japan think harder than ever whether it is worth while carrying on a campaign which is not only bringing untold misery to thousands of innocent Chinese, but also to the great majority of the people of Japan in the shape of losses in trade, not to mention the many other inconveniences that are associated with every war.

One of the things causing the non-military elements quite considerable worry is that the sentiment in Western countries is more unfavourable to Japan than appears to be generally imagined in that country. Proof of this was given by Mr. Toyokichi Toyota (Minsato) at a recent meeting of the Budget Committee of the House of Representatives when he said that earnest efforts must be made by the Government to improve these sentiments.

The Foreign Minister, Mr. Koki Hirota, replied that the fact was indisputable that Japan was greatly misunderstood among the Western peoples and he attributed this partly to the fact that the Western merchants in China had deliberately circulated reports prejudicial to Japan in their desire to advance their own interests. Very neatly put indeed, Mr. Hirota, but the world now has had well on eight months to form their own conclusions about the hostilities in China, and it does not require much thinking to decide who is the culprit.

But Mr. Hirota goes further. He wants an expansion in the means of communication so that "accurate" reports may be widely supplied to foreign observers. We might be mistaken, of course, but if the worthy Foreign Secretary's plain is again to tell the world that this war was precipitated by China and that Japan really is the aggrieved party, we would offer a word of advice—don't.

"Prejudicial reports," however, are not Japan's only anxiety. Admiral Yonai, Minister of the Navy, was asked whether Japan's naval strength was really adequate to ensure national security in the face of America's big naval construction plan, and in view of the increasing tendency for the democratic countries to combine.

The Minister assured the House that Japan's naval strength was adequate in the prevailing circumstances but he did not appear to be quite sure himself as he added that Japan must seriously consider the increase of her own naval armaments.

From a reliable source we learn that the mere suggestion of increased armaments has brought about a storm of protest. The civilian population of Japan has long since realised that the mention of any increase in armaments is always invariably followed by mention of increased taxation.

In the early days of the war, when the whole country was swayed by the military elements, there was little enough objection to contribute but the militarists have broken faith—they have failed to "beat China to her knees" in a short space of time.

Even in Japan, breaking faith is frowned on and the civilians have tightened their purse strings. Where, then is the money to come from?

The country's statesmen talk about a misunderstood Japan. At the present time it appears that before many months have passed their efforts will have to be diverted to suppressing news regarding the revolution in that unfortunate country—unfortunate in that the people allowed themselves to be led like a flock of sheep and only when it is too late have they woken up to the fact.

Fuehrer as leader, it is entirely their own business.

Dr. Schuschnigg's voluntary resignation, the bloodless revolution, and the cordiality with which the German troops were received, appear to be sufficient testimony as to what the Austrians desired. Thus, it is certain that the great Powers were fully prepared for what has just happened. That is borne out by several factors. The terms and phraseology of the British note of protest (such formal diplomatic notes are to be expected), the refusal of Britain to help Dr. Schuschnigg to carry out the proposed plebiscite, and even the fact that Mr. Neville Chamberlain decided to travel to Chequers over the week-end!

More important are the comments from Rome where even the news of the massing of German troops on the Brenner Pass has left Mussolini and his son-in-law Foreign Minister quite cold and unmoved. "Nothing will be done to jeopardise the Rome-Berlin axis," says Ciano. The noble Count agrees with his fire-eating father-in-law that the maintenance of the "axis" is a far more effective lever for "squeeze" from the countries known as the "haves" than possession of and admittedly ambitious neighbour.

To a large extent it is obvious that this outward manifestation of solidarity between two peoples entirely different in character and spirit is artificial which time will efface, but that time is not yet.

Until that happens, the European situation is fraught with dangerous possibilities and efforts at placation and reconciliation even by the extension of aid and material concessions consistent with dignity are necessary.

We began this article by stating that Europe is receding to the 1914 position. The various political creeds, with the Russian exception, although disguised under high-sounding names, are essentially the same. The League of Nations as the world had known it in 1919, having ceased to exist, and the ideal of collective security having apparently failed, temporarily at any rate, democracy now finds itself ranged against Fascism in the same way as were the "Alliance" and the "Entente" in 1914.

There is, however, a spiritual difference which augurs well for Europe and mankind. That difference is to be found in the fact that some 55 nations at one time solemnly decided to renounce war and the bulk of them still adhere to that decision.

The greatness of democracy lies in its mission of the spiritual advancement of the human race. War means retrogression. That is why democracy takes the lead in

the preservation of world peace. But the aeroplane has made that a far more difficult task than it was in 1914.

Britain's greatness was achieved by her insular security. Her navy ensured her against invasion while she was free to trade with the world. Thus she built up a vast empire controlling wealth, territory and peoples which are the envy of the world. Her policy today is one of peace, but one of protecting self-interest as well.

If Gossip We Must

BY ELSPETH

I wandered into the Gripps the other evening and found a large crowd revelling. Mrs. Beck was looking very decorative in lacy black. Miss Scott Harston was dancing energetically, in a lovely long dress of black finished with insets and a wide band of creamy lace. Miss Blackburn had chosen a pretty shade of green and Mrs. Rees was in dark wine red. Miss Butterfield, who has just announced her engagement, was in black. She was in a party which included her sister Mrs. Evans. Miss Pat Potter was in navy taffeta embroidered in tiny gay flowers.

Miss Beryl Fair was in grey velvet with a matching cape. Mrs. Platt, who leaves by the Empress of Britain today wore a lovely black velvet dress with matching coat. Mrs. Barham was dancing gaily in an orchid coloured frock. Mrs. Haggard, who was in the same party, was in pale green with long flowing shoulder draperies. Miss Potter was in a pale printed silk dress and Mrs. Colman was in shimmering creamy white. Mrs. de Robeck wore a black dress with amusing coloured shoulder straps.

I saw Mrs. Voelke dancing in black with a cheerful little pink cape. Mrs. Rushbrooke wore a beautifully cut dress in a deep shade of prune. Mrs. Edwards looked very pretty in deep reds, green. She was watching the floor show with Mrs. Major, who wore a black dress trimmed with silver. Mrs. Mackenzie, who was dancing with her husband, looked most attractive in a black dress.

The floor turns were excellent and the cheerful inebriate evoked loud applause. It was lovely to be able to dance coolly and comfortably after the un-naturally hot weather we have had for the past week.

Life for the moment is comparatively tranquil but with the Fleet trickling back there is sure to be a revival of the party spirit and then we shall have lots to record.

MUSIC REVIEW

BY ALLEGRO

The Musical Season is at its very height at the present moment. We have so many interesting things to hear, we hardly know where to begin.

The other night we had the honour to call on the producer of the Old Music Hall during rehearsal at the China Fleet Theatre. We took an inconspicuous corner and had a very delightful twenty-minute peep.

Of course it is still very early to mention the names of those taking part but you, dear Public, are promised an extra fine show.

We saw quite an array of—may we say, stars, hm? The numbers chosen are to be quite in keeping with the show. Old Time. Everything is to be old time.

There will be many sweet memories brought back, many an old and dusty yesterday rejuvenated. Back to the gaudy, naughty, never-to-be-forgotten "nineties."

HONG KONG SINGERS.

At the time of going to press we had not yet attended the orchestral Concert given by the Light Orchestra of the Royal Scots. We shall touch upon this matter next Monday.

The Hong Kong Singers gave a really good performance. We agree with all that has been said about the good points. Our opinion, however, is that a choir made up of such fine material should have been allowed to let itself go and that the singing on the whole was too restrained.

The Rev. Baines did some very good work, substituting Victor Sanders, who had lost his voice, unfortunately. The sea-shanties as arranged by Toye were rather out of keeping with the original spirit of these songs. They were going out when that style in piano writing was being introduced.

RADIO FARE

The trio comprised of Prue Lewis (violin), Ettore Pellegatti (cello) and E. O'Neill Shaw (piano) was excellent. It only seemed the three were not very happy about the way they were disposed on the stage. They were cramped as far as space was concerned.

By way of interest, the Saghinka Fantasia was played over Radio Hong Kong, twice in quick succession, once by the Light Orchestra of the Royal Scots, and

Mrs. M. T. Chu at the Races.

RIDING SCHOOL ANNUAL SPORTS

(BY PRUDENCE)

A stream of brightly coloured, bunting led from Tai Hing Road, and over a hundred people must have followed it up the hill to the Hong Kong Riding School yesterday morning, to judge by the number of spectators who were seated on the terraces above the big ring, to watch the Second Annual Sports.

Eleven events were on the programme, with a most satisfactory number of entries, and the whole affair was carefully planned and smoothly carried out by that wonderful Riding Master, Bob Charles, and his young assistant, Pam Scott-Harston.

The Judges were Lt.-Col. H. B. L. Dowbiggin, of the H.K.V.D.C., and Major Hogg, while Captain R. S. T. Bowden was Master of Ceremonies. Mr. Alec Potts lent valuable assistance everywhere, and so did Betty and Beryl Fair.

Two amusing events set the ball rolling. The first was when the two Riding School amans created a small sensation, by mounting ponies, which they first walked, then trotted, and finally cantered round the ring. The second, when Beryl Fair and George Sewell both proved so expert in the amusing dart competition.

Generous cup-donors, proud parents and admiring friends, all had an excellent view from the terraces, which (with the stables) were gay with flags and streamers, and the children in the attractive school uniform (white riding breeches, pink coats and stocks) looked delightful, and added to the brilliance of the scene.

FASTING CAMPAIGN FOR WAR RELIEF

A "Fasting Campaign" inaugurated by the Hong Kong Students' Relief Association on March 10, 11 and 12, has resulted in the sum of \$4,752.18 being raised for war relief.

It is learned that all the proceeds will be devoted for raincoats and winter clothes.

During the campaign over 400 students took part.

once by Marek Weber's. We personally think The Royal Scots have little or nothing to lose in the comparison.

As regards radio fare we can recommend listening to Eva Turner (soprano) and Gaston d'Aquino (tenor) supported by E. O'Neill Shaw on the piano. These two artists are performing separately.

From the Cathedral organist, Lindsay A. Lafford, who by the way, will be figuring in a recital at St. Mary's Church, Causeway Bay, on April 8, assisted by Pellegatti and J. Sutter (flautist).

ITALIAN OPERA?

We are looking forward to hearing the St. Joseph's Choir and The Very Reverend Father Rignanti, whose broadcasts are delightful.

We are told that Church Parades are also to be broadcast. That is exciting.

Last week we ran across Mr. Carpi, well-known Impresario. As usual he did not talk very much, but we understood he would soon be bringing some good shows to this town. We smell Opera.

In the beginning of this year we heard that the world-famous Tito Schipa might visit us. Perhaps he has cried off his tournee? It is years since we have had celebrities like him. Fertile, we are told, has restarted after having rested from Mascagni's "Nerone." He appeared in grand opera in Brescia, not very long ago.

ONLY ONE PUNTER SPOTS WINNERS IN THE DAILY DOUBLE

Big Dividend Of \$5,962 For The Planchet-Sea Dragon Pairing

MR. B.A. PROULX RIDES FOUR WINNERS AT FIRST EXTRA MEETING

Silkylight Wins Race In A Canter

A dividend of \$5,962 for the Daily Double in which only one punter spotted the winner of the second leg—four winning mounts for Mr. B. A. Proulx and a dividend of \$260.20 by Sea Dragon (Mr. D. Black) in the seventh race of the day—those were the features of the First Extra Race Meeting which was held at the Race Course on Saturday in very chilly weather.

Dividends on the whole were better than at the Annual Meeting and most of the races provided very close finishes, this speaking volumes for the very efficient way in which the starter went about his work.

Silkylight, winner of the Derby and Champions at the Annual Meeting, accepted in the Hong Kong Handicap and showed that it was in a class by itself by winning easily from Red Feather and Cossack's Beauty. In the penultimate race of the day King's Lead which placed second, was disqualified for starting without sufficient weight. This race, incidentally, was won by Commencement Bay (Mr. D. Black) in grand style.

HAY AND CORN STAKES

Mr. B. A. Proulx, on Araxy, took an excellent lead from the time the gate went up to win the opening race on the programme, the second and third places being taken by Mac's Adventure (Mr. L. B. Chao) and Lucky Eleven (Mr. K. S. Shu) respectively with Tabby Cat (Mr. H. C. Pih) a very good fourth.

Araxy led all the way and it was followed all the way by Mac's Adventure and Lucky Eleven and it was not till the Distance Post was reached that Tabby Cat put on a belated spurt. It found the effort too much and had to be content with being a very good fourth.

THE LOITERERS STAKES

Handicap Eve (Mr. Yeung Wing-sing) showed that it was no loiterer by first running away with the jockey to complete a canter round the track and then coming back to win the race by a short head from Lancashire Lass (Mr. C. L. Gregory) and Humdrum Eve (Mr. K. I. Ip) to pay its backers \$61.90. The only other entry in this race was Rose Jane (Mr. Yeung Wing-kwan).

Handicap Eve led from the start followed by Rose Jane, Lancashire Lass and Humdrum Eve but at the Village Bend Rose Jane dropped back and Lancashire Lass and Humdrum Eve moved up the field during that order.

THE ALL OUT STAKES

Mr. B. A. Proulx scored his second win of the day when he rode Oak Bay home to win the All Out Stakes from Gladiator (Mr. Y. T. Fung) by a short head with Harvest View (Mr. H. C. Pih) a poor third.

Like the first two races of the day the Quish was very exciting and when the field came past the Press Box it looked as though Gladiator would overtake Oak Bay but the grey managed to stave off defeat though it finished with only a short head to spare.

THE RANDWICK PLATE

Mr. A. W. Raymond rode an excellent race on Rex to win the Randwick Plate after being left at the start to pay its backers \$63.20.

THE TYTAM HANDICAP

Mr. V. V. Needa rode a well-judged race on Planchet to win the first leg of the Daily Double, the favourite, Louis XIV placing second, with Mr. S. W. Tang on the saddle and Smiling Thru (Mr. B. L. Tao) third.

National Force (Mr. A. W. Raymond) set the pace for the race but it soon faded out of the picture. Planchet was kept back till the field ran into the home straight and then it not only challenged the favourite but beat it by a short head. Smiling Thru was a good third.

THE MOONIE PONDS HANDICAP

The last race of the day saw the favourite, Lancashire Lass (Mr. B. A. Proulx) winning by a neck from Blandford (Mr. B. L. Tao) with Aztec (Mr. C. L. Gregory) third. It was a very good finish with Home Brew (Mr. L. P. Ralph) a fourth.

THE HONG KONG HANDICAP

Silkylight, Mr. Eric Moller's champion pony, won the Hong Kong Handicap by a length-and-a-half but it gave the impression that it was not going full-light. Mr. B. A. Proulx was the successful jockey, this being his third win of the day. Red Feather (Mr. S. W. Tang) was second and Cossack's Beauty (Mr. H. C. Pih) was third.

Soldier of Honour (Mr. K. S. Shu) took the lead and it ran so beautifully that it looked certain to place. Rounding the bend, however, it bore out and this lost it even a place, the pony finishing fourth.

Silkylight looked the winner all the way and Mr. Benny Proulx had no trouble at all in fulfilling expectations.

THE TYTAM HANDICAP

Eighteen starters accepted for this race and for the greater part the field was bunched together. It was not till the field came into the straight that Mr. Donald Black, on Sea Dragon, came into the picture and, finishing with a fine burst, he won to pay the very handsome dividend of \$260.

THE HONG KONG HANDICAP

Following his success in the previous race, Mr. Donald Black showed a glimpse of his old form when he rode Commencement Bay to win in the penultimate race of the day. The favourite, New Star (Mr. Y. T. Fung) was well and truly beaten and had to be satisfied with third place, the second place being filled by King's Lead (Mr. V. V. Needa).

There was nothing outstanding in the race though at one time it looked as though Blandford Bay (Mr. B. A. Proulx) would run into a place.

THE MOONIE PONDS HANDICAP

The last race of the day saw the favourite, Lancashire Lass (Mr. B. A. Proulx) winning by a neck from Blandford (Mr. B. L. Tao) with Aztec (Mr. C. L. Gregory) third. It was a very good finish with Home Brew (Mr. L. P. Ralph) a fourth.

THE HONG KONG HANDICAP

Silkylight, Mr. Eric Moller's champion pony, won the Hong Kong Handicap by a length-and-a-half but it gave the impression that it was not going full-light. Mr. B. A. Proulx was the successful jockey, this being his third win of the day. Red Feather (Mr. S. W. Tang) was second and Cossack's Beauty (Mr. H. C. Pih) was third.

Soldier of Honour (Mr. K. S. Shu) took the lead and it ran so beautifully that it looked certain to place. Rounding the bend, however, it bore out and this lost it even a place, the pony finishing fourth.

Silkylight looked the winner all the way and Mr. Benny Proulx had no trouble at all in fulfilling expectations.

THE TYTAM HANDICAP

Eighteen starters accepted for this race and for the greater part the field was bunched together. It was not till the field came into the straight that Mr. Donald Black, on Sea Dragon, came into the picture and, finishing with a fine burst, he won to pay the very handsome dividend of \$260.

DAILY DOUBLE BETTING

The following were the betting figures for the Daily Double:—

AUSTRIAN NEWS
CAUSES MARKET
NERVOUSNESSFranc And Dollar
Show Firmness

London, March 12. Although outwardly calm, an undercurrent of considerable nervousness is apparent in City circles following overnight developments in Central Europe.

With the Stock Exchange observing its usual Saturday holiday, it was left to the foreign exchange market to reveal the extent of the prevailing anxiety.

In a session of very lively trading the chief feature was provided by a sharp appreciation of the French franc.

FRANC RALLIES

The "spot" rate rallied to 158.00 to the pound sterling compared with 158.25 last night, owing to substantial covering resulting from the formation of the new French Government, together with some repatriation of refugee funds, especially from Switzerland.

On the other hand, the American dollar, as a currency far removed from the riling tension, met with keen demand and firmed up in terms of most European currencies.

COMMODITY MARKET

Additional evidence of the existing nervousness was provided on the gold market, where nearly £1,000,000 worth of the metal changed hands at this morning's trading on Continental account, with the authorities only sellers.

Apart from Continental nervous liquidation in cotton, the commodity markets hitherto generally have remained undisturbed.

Get rid of
Disfiguring
Blemishes
this
Easy Way

Nothing can be more distracting to a woman than ugly pimples, burning irritations or patches of blackheads or enlarged pores on the face or neck. Some resort to heavy powdering in an effort to hide them; whilst others cause the skin to become muddy-looking, coarse and blemished by using the wrong treatment.

To make your skin clear and healthy, to cleanse clogged facial pores, remove blackheads and pimples and to make your complexion clearer and smoother, use Cuticura.

Cleanse the skin with Cuticura Soap twice a day. Its luxuriant and mildly antiseptic lather is soothing and softening; washes away pore-deep dirt which causes blackheads, enlarged pores and ugly complexion defects.

To rid the skin of pimples, skin outbreaks, rashes or irritations use Cuticura Ointment direct on the affected part before washing with the soap. Its antiseptic action kills germs, soothes and heals and quickly clears the skin.

Cuticura
For Clear Healthy Skin

Sold by all Chemists and Stores. Ask for Cuticura Soap and Cuticura Ointment. And for powder use Cuticura Talcum—exceptionally fine and pure, exquisitely perfumed.

CORPSES BURNED

In conformance with the policy of the Shanghai Public Health Department to rid the International Settlement and outlying areas of exposed or partly exposed bodies, some 250 corpses were burned last week off Lincoln Avenue, near Warren Road.

About fifty bodies of unburied Chinese soldiers were destroyed, as well as corpses abandoned in alleyways, some in fragile coffins and some exposed. The authorities are doing their utmost to eliminate the menace to health provided by these bodies.

Kerosene sprayed on the pyre hastens the destruction. The ashes are later gathered and buried in a coffin.

NEW CUNARD

Name Chosen Not Too Popular

The name Queen Elizabeth, which has been chosen for the new Cunard-White Star liner, has not been too popular in the past for merchant steamers, states the Manchester Guardian.

The records show that there have been only three Queen Elizabeths of any size during the past 50 years.

The best known of them was a particularly beautiful sailingship which came from a Clyde-side yard and gained some renown as a "fyer"

ARMY WINS THRILLING CUP FINAL

Chinese Beaten In Good Game On Navy Ground

Two goals down ten minutes before the interval, the Army football team came back strongly against the Chinese to retain the Lal Wah Cup by four goals to three in the final match played at Causeway Bay yesterday.

It was a thrill-packed game, fortune swinging first one way and then the other, and was watched by a huge crowd of spectators. The Army were full value for their win, having by far the greater part of the play and being generally more impressive in the forward line.

The losers were without Fung King-cheong, who was on the sick list.

The Chinese forwards palpably lacked leadership, although Li Tak-kee and Chan Tak-fai worked very hard. Only just before and just after the two early goals did the Chinese vanguard play like an attacking unit.

The Army forwards except for periodical lapses on the wing, never let an opportunity go of bringing the ball into the enemy's territory and keeping it there. Their one failing was weak finishing. Grogan, in particular doing a lot of ballooning.

CHINESE SCORES

From the kick-off the Army secured the ball and brought it upfield; and this remark might well describe the remainder of the play till about ten minutes from half-time.

Then, very much against the run of play, a Chinese attack culminated in a melee in front of the opposing goal, and Chan Tak-fai slammed the ball in between three players to open the scoring.

Very shortly after, Watson, chased by Chan for possession, tapped the ball back to Duncan in goal. But the latter was coming out to it and Watson slipped and kicked the ball full-length, with the result that it shot past the bewildered Duncan into the goal.

PEARSON'S HEADER

Two-nil, and the Chinese, elated, swarmed to the attack, but the Army were on their mettle, and the ball was brought back again. Calvert on the wing centred, and Pearson sent in a beautiful header far out of Tam Kwan-hon's reach. From the kick-off, they were back again, and, following an in-

terchange of passes, saw shot hard and true for the corner, beating Tam, who was a trifle unlighted.

Half-time came without further score.

A ding-dong struggle ensued after the interval, with both sides fighting hard for the lead.

It was now, with ten men, that the Army forwards put in some of their best work. Grogan dribbled through on the shot that would have passed most goalies.

Soon after Hau Ching-to took a pass in the goal area, shot, and Duncan fisted the ball out. Yeung Shui-yick, dashing in, equalised.

A magnificent movement saw Pearson go out to the right near the Chinese goal, dribble a few yards, and centre to Saw, who made no mistake whatever with a corner shot.

Duncan (R. Scots); Watson (Middlesex); Capt. Sheehan (Middlesex); Freshwater (Middlesex); Bright (Middlesex); Proctor (R. Scots); Grogan (Middlesex); McGuigan (Seaforts); Pearson (Middlesex); Saw (Middlesex) and Calvert (5th Bde. R.A.).

Tam Kwan-hon; Mak Shui-hon, Lee Tin-sang; Leung Wing-chiu, Lau Hing-choi, Lo Wai-kuen, Yeung Shui-yick, Li Tak-ki, Chan Tak-fai, Lai Shui-wing and Hau Ching-to.

ISLINGTONS IN MANILA

The Islington Corinthians played their third football match in Manila yesterday when they met the La Salle team.

Igo, the home team's custodian, played a brilliant game and saved three almost certain goals in the first half. The game was played at the Manila Stadium.

CYCLING RACE

Championship Won By H.A.G. Keates

Six members of the Hong Kong Cycling Club and four other riders competed in a road championship and handicap event over a 27 miles course yesterday afternoon. The trial was the last event on the Club's 1937-8 racing programme.

Riders were despatched by Mr. J. L. Smith, Hon. Secretary, according to their handicap allowance.

W. S. Chen, S. Wallace and L. C. Chang set off together 25 minutes before the scratch rider, the Club's champion, H. A. G. Keates.

A brisk pace was maintained by most riders on the first three miles to the foot of the hill at Shaikwan, where leading actual times were: Keates 8.12, S. K. Wong (8 mins.) 9.23, and R. Alves (7 mins.) 9.34. The next 14 miles, a climb of over 630 feet, slowed the competitors considerably, but at the top the same three riders were fastest in 14.52, 16.48 and 17.12. A detour towards Shek O returning to the next check at Tiyam Gap followed and accounted for a further eight miles of slightly easier going.

The last 44 miles on Stubbs and Tai Hang Roads being all down hill proved furiously fast, and brought the quartet of competitors (all members of the Club) to the finish in the following order:—

Act. Average Time Speed

H.A.G. Keates (Scr.) 3.20.47 12.047 20.053

L.C. Chang (25) 3.33.4 1.58.4 13.721

S.C. Wong (8) 3.33.17 1.41.17 15.991

R. Alves (7) 3.33.18 1.40.18 16.151

Thus the championship and first handicap award go to H.A.G. Keates, the runner-up in the former category being R. Alves, and in the latter, L. C. Chang. S. K. Wong, the only remaining rider to finish, put up a very plucky performance, but was unfortunate in losing by very narrow margins in each section.

Timekeeping at the start, Tiyam Gap, Aberdeen and the finish was carried out by Mr. J. L. Smith, assisted by Mr. A. Cossins (and motor-cycle).

Our Canton Newsletter

(FROM OUR OWN CORRESPONDENT)

Canton, March 12.

Governor Wu Te-chen's 51st birthday, according to the Chinese reckoning, was celebrated quietly on Wednesday, March 9, by a few of his friends and members of his staff.

There was no public reception but in the evening Secretary-General Auyang Kiu, ex-Provincial Chief of Police, Mayor Tsang Yang-fu, General Hsu Ching-tang, Provincial Commissioner of Reconstruction and the Commissioner of Education jointly gave a dinner in General Wu's honour.

ARBOUR DAY

Today, in commemoration of the death of Dr. Sun Yat-sen, founder of the Chinese Republic, Arbour Day will be observed as usual.

In his Three People's Principles, the late Dr. Sun advocated the reforestation of China on a large scale, and it was in deference to his wishes that Arbour Day was instituted.

Preparations have already been made, by means of the press, the radio and other means of publicity, to impress upon the people the importance of planting more trees, and it is expected that a large number will be planted today.

EXHIBITION OF WAR PICTURES

The Provincial Mass Training Institute has made arrangements to hold exhibitions of war pictures in many places in Kwangtung.

From March 18 to 20, an exhibition will be held in the Chungshan district, from the 23rd to 25th in the Tungkuon district and from 28th to 30th in the Wai-chow district. From April 1 to 3 the exhibition will be held in the Pok Lo district, from the 5th to 7th in the Tsengsheng district and later in the Tsungta district.

It is learned that the people of these districts are looking forward very much to seeing the comprehensive collection of pictures showing scenes at the front.

IF GOSSIP WE MUST

(Continued from Page 8)

Mr. and Mrs. Fleming must have felt proud of their little trio, who all won cups, and I must spare a word of praise for their little daughter, Elizabeth. It seemed impossible for such a small person to ride and jump on some of those big ponies, but once "up" she might have been glued to the saddle, so secure did she seem! Another little rider I admired was Janet Dibley, who has a very easy style, and Alan Cuthbert seemed to me to do well all the time.

Star-pupils such as Veronica Walker and Frankie Langley have already had their names in the Press, and I think that Bobby Stott is heading for the limelight too.

Helen Tracy is a confident young rider, and did well to win the "bareback riding."

I saw Commander Hole taking snapshots and am sure that he and Mrs. Hole must have felt pleased when their small son, John, succeeded in tying with Robin Buller among the "First-Termers."

Major Duclos joined with Commander Newell in presenting the Second Term Cup, which was won by Elizabeth Fleming and Gerald Well.

Mrs. Weill, in black, was watching her little grandson with keen interest, and with her I noticed very pretty in cleverly blended brown and gray, with just a touch of bright green in her hat.

Mrs. Scott-Harston wore black trimmed with persian lamb, and told me that Pamela was one of the lucky ones who got Sea Dragon at the Valley last Saturday.

It is good to see Anne Dowbiggin up and about again. She was rather badly concussed at Fanning, and then got tonsillitis on top of that, and was in the War Memorial Hospital for several weeks, but is none the worse now, and was looking remarkably nice in a costume of deep-sea blue.

Mrs. Dibley looked very charming in a suit of gray pin-stripe, and silver fox fur, and Mrs. Abbott was most attractively turned out in a pin-stripe suit of fawn, with a very alluring knitted waistcoat of fleecy wool. Her daughter Pauline was helping with the ponies here and there. Mrs. Wynne Jones brought her tiny daughter, who was thrilled, and Mr. and Mrs. D. M. Richards brought their daughter, Betty, to watch events.

Mrs. Duclos and a small daughter had a splendid view from the upper terrace, and Mr. and Mrs. Walker were watching with much interest. So was Mr. Needa, whom I saw leaning over the fence to study the jumping with professional interest.

The Riding Master takes very good care of his small pupils, and got a round of applause when he took the jumps like a bird (on foot) with some of the tiny tots, and retrieved two of them in mid-air, just as they were about to stage a tumble.

Among the audience, I noticed Mrs. Wright looking rather graceful in a long black coat, and Mrs. Pestonji with her daughter (that brilliant young dancer Betty Pestonji) who looked sweet in a green Norfolk jacket with a green check skirt.

Mrs. North managed to find time to come, though life must be a rush for her as she and her family go off for a short holiday in Australia by the Empress of Britain today.

At the conclusion Mrs. Pearce gave away the prizes in her own charming way, and Mr. Tam Pearce proposed a vote of thanks to Mr. Bob Charles and his helpers, and said how much he admired the way in which he had built up the school into such a successful and flourishing concern, and remarked that he would follow all its future activities with much interest.

Three cheers for Mrs. Pearce and a "tiger" for Mr. and Mrs. Bob Charles ended a very cheery morning at the Hong Kong Riding School.

LADIES' HOCKEY

Scoring two goals in a magnificent last-10-minutes rally, St. Andrew's Ladies beat the undefeated Caer Clark Cup champions, "Y" Ladies, by 3 goals to 2 in one of the most interesting ladies' hockey games seen this season.

The losers were, however, one short throughout the match.

In a friendly game, the Y.M.C.A. beat 12th Heavy Brigade, Royal Artillery, by 6 goals to one. Ross scored three goals, Kraus 2 and D. Smith one, while Ellis netted for the losers.
